

32.602

payments, commercial item financing, or Government-furnished property.

(11) Government expense of correcting defects.

(12) Overpayments related to errors in quantity or billing or deficiencies in quality.

(13) Delinquency in contractor payments due under agreements or arrangements for deferral or postponement of collections.

(14) Reimbursement of amounts due under 33.102(b)(3) and 33.104(h)(8).

[73 FR 54002, Sept. 17, 2008, as amended at 75 FR 53149, Aug. 30, 2010]

32.602 Responsibilities.

(a) The contracting officer has primary responsibility for identifying and demanding payment of contract debts except those resulting from errors made by the payment office. The contracting officer shall not collect contract debts or otherwise agree to liquidate contract debts (*e.g.*, offset the amount of the debt against existing unpaid bills due the contractor, or allow contractors to retain contract debts to cover amounts that may become payable in future periods).

(b) The payment office has primary responsibility for—

(1) Collecting contract debts identified by contracting officers;

(2) Identifying and collecting duplicate and erroneous payments; and

(3) Authorizing the liquidation of contract debts in accordance with agency procedures.

32.603 Debt determination.

(a) If the contracting officer has any indication that a contractor owes money to the Government under a contract, the contracting officer shall determine promptly whether an actual debt is due and the amount. Any unnecessary delay may contribute to—

(1) Loss of timely availability of the funds to the program for which the funds were initially provided;

(2) Increased difficulty in collecting the debt; or

(3) Actual monetary loss to the Government.

(b) The amount of indebtedness determined by the contracting officer shall be an amount that—

48 CFR Ch. 1 (10–1–12 Edition)

(1) Is based on the merits of the case; and

(2) Is consistent with the contract terms.

32.604 Demand for payment.

(a) Except as provided in paragraph (c) of this section, the contracting officer shall take the following actions:

(1) Issue the demand for payment as soon as the contracting officer has determined that an actual debt is due the Government and the amount.

(2) Issue the demand for payment even if—

(i) The debt is or will be the subject of a bilateral modification;

(ii) The contractor is otherwise obligated to pay the money under the existing contract terms; or

(iii) The contractor has agreed to repay the debt.

(3) Issue the demand for payment as a part of the final decision, if a final decision is required by 32.605(a).

(b) The demand for payment shall include the following:

(1) A description of the debt, including the debt amount.

(2) A distribution of the principal amount of the debt by line(s) of accounting subject to the following:

(i) If the debt affects multiple lines of accounting, the contracting officer shall, to the maximum extent practicable, identify all affected lines of accounting. If it is not practicable to identify all affected lines of accounting, the contracting officer may select representative lines of accounting in accordance with paragraph (b)(2)(ii) of this section.

(ii) In selecting representative lines of accounting, the contracting officer shall—

(A) Consider the affected departments or agencies, years of appropriations, and the predominant types of appropriations; and

(B) Not distribute to any line of accounting an amount of the principal in excess of the total obligation for the line of accounting; and

(iii) Include the lines of accounting even if the associated funds are expired or cancelled. While cancelled funds will be deposited in a miscellaneous receipt account of the Treasury if collected, the funds are tracked under the closed

year appropriation(s) to comply with the Anti-Deficiency Act.

(iv) If the debt affects multiple contracts and the lines of accounting are not readily available, the contracting officer shall—

(A) Issue the demand for payment without the distribution of the principal amount to the affected lines of accounting;

(B) Include a statement in the demand for payment advising when the distribution will be provided; and

(C) Provide the distribution by the date identified in the demand for payment.

(3) The basis for and amount of any accrued interest or penalty.

(4)(i) For debts resulting from specific contract terms (*e.g.*, debts resulting from incentive clause provisions, Quarterly Limitation on Payments Statement, Cost Accounting Standards, price reduction for defective pricing), a notification stating that payment should be made promptly, and that interest is due in accordance with the terms of the contract. Interest shall be computed from the date specified in the applicable contract clause until repayment by the contractor. The interest rate shall be the rate specified in the applicable contract clause. In the case of a debt arising from a price reduction for defective pricing, or as specifically set forth in a Cost Accounting Standards (CAS) clause in the contract, interest is computed from the date of overpayment by the Government until repayment by the contractor at the underpayment rate established by the Secretary of the Treasury, for the periods affected, under 26 U.S.C. 6621(a)(2).

(ii) For all other contract debts, a notification stating that any amounts not paid within 30 days from the date of the demand for payment will bear interest. Interest shall be computed from the date of the demand for payment until repayment by the contractor. The interest rate shall be the interest rate established by the Secretary of the Treasury, as provided in Section 611 of the Contract Disputes Act of 1978 (Public Law 95-563), which is applicable to the period in which the amount becomes due, and then at the rate applicable for each six-month pe-

riod as established by the Secretary until the amount is paid.

(5) A statement advising the contractor—

(i) To contact the contracting officer if the contractor believes the debt is invalid or the amount is incorrect; and

(ii) If the contractor agrees, to remit a check payable to the agency's payment office annotated with the contract number along with a copy of the demand for payment to the payment office identified in the contract or as otherwise specified in the demand letter in accordance with agency procedures.

(6) Notification that the payment office may initiate procedures, in accordance with the applicable statutory and regulatory requirements, to offset the debt against any payments otherwise due the contractor.

(7) Notification that the debt may be subject to administrative charges in accordance with the requirements of 31 U.S.C. 3717(e) and the Debt Collection Improvement Act of 1996.

(8) Notification that the contractor may submit a request for installment payments or deferment of collection if immediate payment is not practicable or if the amount is disputed.

(c) Except as provided in paragraph (d) of this section, the contracting officer should not issue a demand for payment if the contracting officer only becomes aware of the debt when the contractor—

(1) Provides a lump sum payment or submits a credit invoice. (A credit invoice is a contractor's request to liquidate the debt against existing unpaid bills due the contractor); or

(2) Notifies the contracting officer that the payment office overpaid on an invoice payment. When the contractor provides the notification, the contracting officer shall notify the payment office of the overpayment.

(d) If a demand for payment was not issued as provided for in paragraph (c) of this section, the contracting officer shall issue a demand for payment no sooner than 30 days after the contracting officer becomes aware of the debt unless—

(1) The contractor has liquidated the debt;

32.605

(2) The contractor has requested an installment payment agreement; or

(3) The payment office has issued a demand for payment.

(e) The contracting officer shall—

(1) Furnish a copy of the demand for payment to the contractor by certified mail, return receipt requested, or by any other method that provides evidence of receipt; and

(2) Forward a copy of the demand to the payment office.

32.605 Final decisions.

(a) The contracting officer shall issue a final decision as required by 33.211 if—

(1) The contracting officer and the contractor are unable to reach agreement on the existence or amount of a debt in a timely manner;

(2) The contractor fails to liquidate a debt previously demanded by the contracting officer within the timeline specified in the demand for payment unless the amounts were not repaid because the contractor has requested an installment payment agreement; or

(3) The contractor requests a deferment of collection on a debt previously demanded by the contracting officer (see 32.607-2).

(b) If a demand for payment was previously issued for the debt, the demand for payment included in the final decision shall identify the same due date as the original demand for payment.

(c) The contracting officer shall—

(1) Furnish the decision to the contractor by certified mail, return receipt requested, or by any other method that provides evidence of receipt; and

(2) Forward a copy to the payment office identified in the contract.

32.606 Debt collection.

(a) If the contractor has not liquidated the debt within 30 days of the date due or requested installment payments or deferment of collection, the payment office shall initiate withholding of principal, interest, penalties, and administrative charges. In the event the contract is assigned under the Assignment of Claims Act of 1940 (31 U.S.C. 3727 and 41 U.S.C. 15), the rights of the assignee will be scrupulously respected and withholding of

48 CFR Ch. 1 (10-1-12 Edition)

payments shall be consistent with those rights. For additional information on assignment of claims, see Subpart 32.8.

(b) As provided for in the Debt Collection Improvement Act of 1996 (31 U.S.C. 3711(g)(1)), payment offices are required to transfer any debt that is delinquent more than 180 days to the Department of Treasury for collection.

(c) The contracting officer shall periodically follow up with the payment office to determine whether the debt has been collected and credited to the correct appropriation(s).

32.607 Installment payments and deferment of collection.

(a) The contracting officer shall not approve or deny a contractor's request for installment payments or deferment of collections. The office designated in agency procedures is responsible for approving or denying requests for installment payments or deferment of collections.

(b) If a contractor has not appealed the debt or filed an action under the Disputes clause of the contract and the contractor has submitted a proposal for debt deferment or installment payments—

(1) The office designated in agency procedures may arrange for deferment/installment payments if the contractor is unable to pay at once in full or the contractor's operations under national defense contracts would be seriously impaired. The arrangement shall include appropriate covenants and securities and should be limited to the shortest practicable maturity; and

(2) The deferment/installment agreement shall include a specific schedule or plan for payment. It should permit the Government to make periodic financial reviews of the contractor and to require payments earlier than required by the agreement if the Government considers the contractor's ability to pay improved. It should also provide for required stated or measurable payments on the occurrence of specific events or contingencies that improve the contractor's ability to pay.

(c) If not already applicable under the contract terms, interest on contract debt shall be made an element of
